Testimonials

"The summit is very useful and practical. I have found some ICT solutions to address some program challenges I am facing. I would definitely recommend it to colleagues and others"

Ann Wairimu Wahinya,
Global Communities

"AIDF team has done excellent work in organizing the programme wonderfully well"

Balakrishnan Amirthalingam,
**United Nations Procurement
Division (UNPD)**

"Fantastic. The moderators are great; the roundtables are quite interactive and informative. Enjoyed the first day tremendously"

Karen Ibeere,
Catholic Relief Service

Testimonials

"Very beneficial as it highlights several areas of innovation in health care systems"

Beng Teoh, Consultant,
United Nations Economic Commission for Africa

"Aid & Development Africa Summit is useful as it provides a platform for private-public-civil society partnership. I will definitely recommend this conference to my colleagues"

Timket A. Biresaw,
Deputy Country Director,
International Life Line Fund

"Very practical and engaging. Participants were very knowledgeable. The set up provided innovative participation. Superb!"

Frederick w. Omandi,
Save the Children International Kenya

Aid & Development Africa Summit Highlights

Keynote stage

Hear from 70+ expert speakers on latest innovations, project updates and collaborations in humanitarian logistics, health & WASH, emergency communication, shelter, disaster resilience, financial inclusion and much more!
